

IPSOFT AT A GLANCE

IPsoft is a managed services provider delivering IT outsourcing to businesses worldwide.

Automation is the hallmark of IPsoft's industry-leading service model. Today, about 56 percent of all IPsoft client incidents are resolved without human intervention. Our brilliant engineers handle issues that cannot be resolved through automation alone. By automating the mundane chores, engineers are free to focus on higher-level tasks and innovations. It is, in the words of one IPsoft employee, "Every engineer's dream."
