

Don't let anyone ever tell
you there is no such thing
as a free lunch

4th Annual Linux Install Fest & Demo Day

Experience for yourself the **free** operating system that
is taking the world by storm.

Enjoy home office applications, games, scientific
software, enthusiast software, and the latest e-
commerce tools - **totally free!**

We'll install it for you, **no charge**. We'll answer your
questions. You can even keep your old operating
system on the same machine.

When: 12-4pm, Saturday, November 03

Where: Rooms 203 & 205
Lory Student Center
Colorado State University
Fort Collins
